# COURT REMOVES BAN ON PARKING LOT JOB

## New Tragedy Said Looming For Hungary

Workers Council Tells Red-Imposed Premier To Halt His Tactics

BUDAPEST (AP)—A new general strike and more bloodshed in Hungary was threatened today.

The Central Workers Council issued a proclamation warning the Soviet-imposed government of Premier Janos Kadar that continuation of its tactics against elected worker representatives would result in "a general strike, bloodshed and a new national tragedy."

The council has gradually emerged as the leadership of Hungarian anti-Kadar, anti-Soviet feeling.

Kadar so far has turned down every demand of the council on behalf of the people and workers, but his own popular support has been so shaky that he has not dared openly to withdraw his recognition of the body as the negotiating agency for Budapest workers.

The Hungarian people appeared to have recovered from the first shock of the smashing onslaught by Russian tanks of Nov. 4, and to be coming back strongly.

The council's warning was voiced as the result of the arrest of many members of factory worker councils. Several more members were arrested Thursday.

AFTER ABOUT 50 members had been arrested, workers at several plants went on spontaneous strike. At one factory, 600 workers successfully defied Soviet tanks and Hungarian militia and prevented the arrest of three more council members.

## Sociologist Hangs Self In Columbus Jail

COLUMBUS (AP)—Dr. Robert C. Myers, 45, a sociologist charged with the slaying of his wife, hanged himself with a belt in his county jail cell today.

Myers had been returned only Wednesday from Lima State Hospital, where he underwent observation in connection with the charge he killed his wife, Eloise, 37, with a hammer.

Mrs. Myers, mother of three children who held a doctor's degree in psychology, was slain Oct. 1. The couple moved here last April 1 from New Jersey.

Dr. Myers' body was found by a jail guard on his regular rounds, deputies said.

## 10 Navy Fliers Stranded On Very Bottom Of World

McMURDO SOUND, Antarctica (AP)—Engine trouble stranded the 10-man crew of a U. S. Navy plane at the bottom of the world today.

The crew had flown to the two-mile-high South Pole plateau with supplies for a 23-member Seabee task force building a base there for International Geophysical Year observation.

The fliers took their polar delay philosophically. Before starting their repair job, they broke out sleeping bags from their survival kits and turned in at one of the three shelter huts the Seabees have built in the last two weeks.

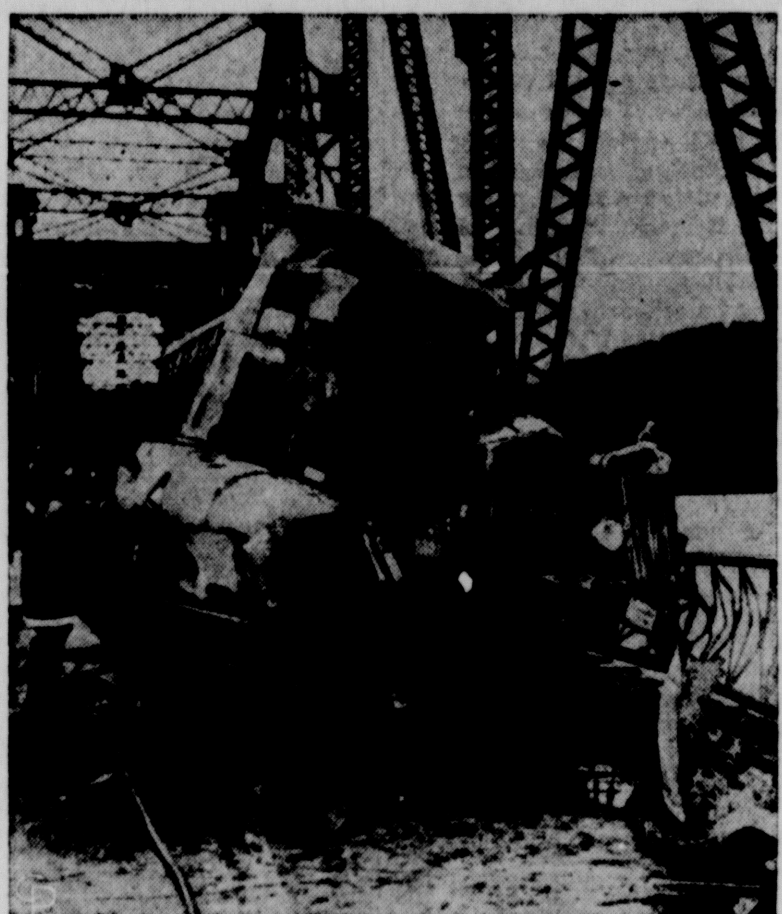

The grounded plane is a ski-equipped Navy Neptune with two jet and two propeller engines. One jet engine failed as it tried to take off. The mechanics will have rough work repairing or replacing the crippled engine in temperatures as low as 30 below.

## No Shortage Seen

CHICAGO (AP)—The plan to send large shipments of gasoline and oil to Western Europe because of the blockade of the Suez Canal will not cause any shortages in the United States, says the director of the Office of Defense Mobilization, Arthur Fleming.

FIREMEN WORK to remove the body of Eugene Trout of Stewartstown, Pa., killed instantly in a flaming, spectacular crash of his cattle-laden truck on the No. 2 bridge over Loch Raven reservoir in Towson, Md. A cow also was pinned in the wreckage, and five or six other animals were thrown into the reservoir and swam to the nearby shore.

## County's Salary Hassle Continues

Kc Blasts Infirmary Raises; Recorder Explains Increases

The sizzling brew of courthouse politics and personalities continued to give off sparks today in the wake of disclosure that some county departments were given quiet pay raises over a month ago.

In the background of the hassling over the salary hikes was the latest round in the dispute over a courthouse parking lot, described as a "spite" move made by Pickaway County commissioners against Sheriff Charles H. Radcliff. A court hearing was held today on the parking lot controversy.

The story of the unannounced pay raises has been pieced together by The Herald from two sources—minutes kept by the board of county commissioners and county payroll records. County Auditor Verna O'Hara and her staff are providing full cooperation in bringing the salary figures to the public.

Among the first to react to a list of quiet salary increases published in Thursday's issue of The Herald was Win Koch, superintendent of the Pickaway County Children's Home. Koch voiced angry protests last night when he noted pay raises had been given personnel at the county infirmary while no increases were given the children's home.

(See letter to editor) Meanwhile, County Dog Warden

## Guest Of Honor Dies At Banquet

HOBOKEN, N. J. (AP)—The guest of honor at a testimonial dinner dropped dead Thursday night as friends were giving him his finest hour.

Theodore Whelson, 65, of Teaneck had just taken his seat after acknowledging gifts from his employer and fellow employees when he collapsed and died from a cause not yet determined.

He was retiring after 42 years with the Alco Gravure Co. of Hoboken, which he served last as superintendent of research.

## Ike Objects To News Leaks About U.S. Defense Budget

AUGUSTA, Ga. (AP)—President Eisenhower complained to Secretary of Defense Wilson today that "leakage" of military budget figures and manpower plans to the public is "something that's got to stop."

The President remarked about the matter as he and Wilson were about to start a conference on Pentagon plans reportedly calling for \$38 billion in defense expenditure during the fiscal year starting next July 1.

The informal discussion about "leakage" of Pentagon data in advance of any official release for publication was in the presence of two reporters.

They later reported that Wilson first brought up the matter of "leakage" of budget data and manpower plans, talking in general

terms. He obviously was referring to information obtained by newsmen and later published.

The budget Wilson is said to have approved is about \$2 billion more than estimated military outlay for the current fiscal year ending June 30.

But Wilson reportedly has pared the proposed new total from about \$44 billion the Air Force, Navy and Army would like to have.

The Pentagon budget does not include such national security items as stockpile material and atomic weapons. Neither the Defense Department nor the Atomic Energy Commission ever discloses spending for nuclear weapon development, but some estimates for the next fiscal year range up to \$2 billion.

IN ANOTHER reaction to the latest list of salary hikes, County Commissioner Bill Goode, storm center in the current courthouse debate, explained that the commissioners had nothing to do with two \$150 monthly increases granted for December to two deputy recorders.

Goode's version of the matter was subsequently confirmed, in substance, by County Recorder Florence Campbell.

Both explained how the recorder's department found itself coming up to the end of the year with (Continued on Page Two)

## 2 Ships Mothballed

PHILADELPHIA (AP)—The California and Tennessee, two of eight battleships attacked at Pearl Harbor 15 years ago, were mothballed today at the Philadelphia naval base.

## Ike May Launch New Aid For West Europe

Washington Officials Worried About Effect Of Egyptian Fiasco

WASHINGTON (AP)—The Eisenhower administration is beginning a major policy review from which there may emerge recommendations for a new program of dollar aid to Western Europe.

Top officials are deeply worried both by the split with Britain and France following the Egyptian crisis and by the impact on their economies of the closing of the Suez Canal and the loss of Middle Eastern oil.

Some authorities believe this country may be confronted with a need to develop a new program in the pattern of the Marshall Plan to restore the unity and strengthen the economic base of the North Atlantic Alliance. None contemplates now any such spending for European aid as the \$4 billion a year which the Marshall Plan cost.

Vice President Nixon may have had the possibility of some new program in mind when, in a New York speech Thursday night, he referred to Great Britain's financial troubles and declared:

"I BELIEVE it is in our interest as well as theirs to assist them in this hour of difficulty, and I am confident that there will be strong bipartisan support in the Congress for granting such assistance."

In Washington, however, most observers believe a recommendation for such aid would be certain to encounter strong opposition in Congress, which has been increasingly reluctant to vote purely economic aid to Europe.

The current policy review, however, covers a wider field than possible new economic aid. It embraces the possibilities of bearing a greater share of the cost of free world defenses and of liberalized trade with such countries as Britain and France.

It includes also the concept of a more sympathetic U. S. attitude toward Allied actions not in line with American desires, as in the case of the French-British attack on Egypt.

Secretary of State Dulles may give Allied foreign ministers some indication of the trend of U. S. policy thinking in Paris next week. He leaves Saturday for the regular session of the North Atlantic Treaty Council.

## Turncoat Silent Upon Reaching Louisiana Home

NEW ORLEANS (AP)—The family of Aaron Wilson today took the turncoat home to the Louisiana logging town of Urania.

After 6½ years of the Army, a Korean prison camp and Communist China, the 24-year-old Wilson embraced his crying parents at a New Orleans airport.

He appeared confused and weary, his tired eyes staring ahead and his lips continually parted. When he stepped down from the plane, he did not notice his family and walked in the other direction.

Since he and another American who changed his mind about living in Red China reached Hong Kong Nov. 23, Wilson has mumbled only, "I just want to go home." Thursday night he kept silent and held his mother's hand.

## 16 Persons Face Trial In Dixie Racial Dispute

CLINTON, Tenn. (AP)—Sixteen persons made bond pending trial and a 17th went to jail Thursday as federal court wound up the first phase of its action to halt racial disorders which closed Clinton High School.

Fourteen men and two women from Anderson County have been before Federal Judge Robert L. Taylor in nearby Knoxville in the last two days for criminal contempt of court in the incidents.

The 17th, Joe Diehl, a farmer, was arrested and convicted of contempt for handing out "inflammatory" literature. He was sentenced to 30 days in jail.

The other 16 were charged with various threats or acts of violence or other activities tending to interfere with integration in Clinton.

## Kiwanians To Sell Papers For Needy Children Cause

Souvenir Copies To Be Circulated Monday Night After City-Wide Project Begins At Courthouse

Circleville Kiwanians will conduct their first welfare newspaper sale in the city Monday night for two hours, starting at 7 p. m.

The organization's special souvenir edition will be distributed to approximately 4,000 homes. Lights on porches or elsewhere in the front of homes will help welcome the Kiwanis "news boys" after the distribution plan gets under way with an auction in Pickaway County common pleas courtroom.

To the highest bidder will go the first souvenir copy.

Kiwanis has undertaken the project to raise funds for its various programs to aid underprivileged children, and to help finance recreational activities for all local boys and girls. The souvenir newspaper sale will be strictly a local activity, administered by local business and professional men for the benefit of the community.

STRONG public support is asked for the effort, since a number of Kiwanis programs next year will depend largely upon its success. Except for actual printing costs, 100 percent of the funds raised will be used by Kiwanis for the welfare and recreational work. The paper will be printed by The Circleville Herald.

Outstanding in field of Kiwanis activity are the programs centered on Ted Lewis Park, including the highly popular Kid Baseball leagues. The Kiwanis Summer program at the park requires about

## Triple-Escape Artist Sought By Officers

NELSONVILLE (AP)—An escapee from Lima State Hospital who fled Columbus police headquarters Thursday night was arrested by police here a few hours later—but got away again. He still is at large.

The triple-escape artist is Basil C. Hawkins, 26.

His original escape was from Lima State Hospital July 19 while he was on a work detail.

He was arrested in Columbus Thursday for questioning in connection with attempted assaults on two women. Both women later identified him as their assailant.

A few hours later Hawkins casually walked away from he corrective bureau, boarded an elevator to the first floor, then ran from the building.

Early today Nelsonville police picked up a man they identified as Hawkins walking in U. S. 33. He gave a fictitious name and told them his car had run out of gas. While being questioned, he asked to go to the restroom. After a long wait outside, police discovered he had escaped through a small window.

## Army Uses Plastic For Photo Prints

WASHINGTON (AP)—The Army announced today development of a new heat process to print photographs on plastic which will be resistant to the fogging effect of atomic radiation.

The Army Signal Corps laboratories at Ft. Monmouth, N. J., developed the process from a discovery made by the Ferro Chemical Co., of Bedford, Ohio. The Army said the technique would be of particular military value in "hot" areas where atomic attack had left lingering radiation.

In producing the print, an aluminum plate coated with a vinyl is placed under a negative, then exposed to ultraviolet light for five seconds. The light rays burn into the plastic an image which is brought out by baking.

\$1,600 annually. Many other regular programs are also sponsored. Heavy accent or worthy programs for youth development is in line with the long-standing policy of Kiwanis International, parent organization.

The Kiwanis committee in charge of vocational guidance directs its attention to the following major aims:

1. To assist youth toward a proper choice of vocation.
2. To recognize the importance of the home and family life.
3. To emphasize moral, spiritual and ethical values.
4. To draw attention to the critical shortage of personnel in worthy fields, such as the scientific and technical branches.
5. To help all youths realize that,

## Another Cable Cutting Case Reported Here

The strike against the Ohio Consolidated Telephone Company came into local spotlight again today when it was reported that an attempt was made to cut a phone cable during the night.

Last night's cable cutting attempt, the first reported here since July when the strike first started, took place in an area just to the rear of the Elks Home on N. Court St. A building being used by the striking Communications Workers of America Union is located nearby.

City police said the cable was not cut completely through. However, two slashes made in lead insulation covering the cable, allowed water from last night's rain to leak into the wires, causing a short.

The short reportedly disrupted phone service to the offices of the C. F. Replogle Construction Company. There was no immediate report that phone service was hampered elsewhere.

THE CABLE slashing attempt was discovered by local telephone company personnel. They reported the incident to the police at approximately 9:30 a. m. today.

Police said marks on the cable insulation made it appear that the slashing had been done with a heavy type knife, similar to a corn cutter.

## Gruenther Sees Defense Handicap

PHILADELPHIA (AP)—Gen. Alfred M. Gruenther, former NATO commander, says the United States could not make an effective defense from the North American continent alone.

"I do not say we would be destroyed in the event of a loss of Western Europe to Soviet Russia," Gruenther told the World Affairs Council of Philadelphia Thursday, "but our position in the world would be greatly impaired."

## U.S. Guided Missile Goofs, Believed Crashed In Jungle

WASHINGTON (AP)—The Air Force said today a seven-ton runway guided missile is presumed to have crashed somewhere in the Brazilian jungle, possibly in the area of the Amazon River.

The missile was launched from Patrick Air Force Base, Fla., Wednesday and was set for a total flight distance of about 3,000 miles.

The course was supposed to have been a closed circuit over the Atlantic but the missile failed to go into the intended turn.

The missile was under radar surveillance as far as the coast of South America. The wreckage of the missile probably will never be found. The jungle is so dense that even airplanes have disappeared and never been located.

There was no indication the missile carried explosives.

There was no immediate word as to the reason the missile failed to go into its scheduled turn. One or a combination of factors could

in addition to selecting their vocation wisely, they have responsibilities as citizens.

THE LATEST program illustrating Kiwanis aims in this respect was a "Career Day" program held in Circleville High School. Specialists in many fields of endeavor were on hand to address students interested in their particular lines of work.

To organize sale of the Kiwanis newspaper Monday night, Circleville has been planned into districts. Residents are urged to keep a light of welcome on porches or in front of their homes.

The auction in the courtroom in Pickaway County courthouse will be conducted by a well known local auctioneer. After the first souvenir copy goes to the highest bidder, the city-wide sale will start at 6:30 p. m.

Kiwanis officials have emphasized that they also hope the program will have the support of the Pickaway County public outside Circleville. For those who are not contacted in the city, or live in the rural townships, papers will be placed in Gallagher's Drug Store, Bingham's Drugs and Circleville Rexall Store.

The newspaper sale will be in (Continued on Page Two)

## Flash Fire On El Kills 1, Hurts 40

CHICAGO (AP)—A flash fire on a moving eight-car elevated wooden coach train today killed the motorman and injured an estimated 40 passengers.

The Chicago Transit Authority train was bound from suburban Evanston to downtown Chicago. The first burst forth as the crowded rush-hour string of cars neared the Howard Street station, just inside the north city limits.

Russell Lane, Associated Press reporter who was riding in the second car, said the sudden blaze, confined to the first two cars, threw passengers into a panic.

Lane said the first car, where the blaze started, "went up like a torch." He said some passengers in the forward car fought their way to other cars while many riders leaped through closed windows to the elevated right-of-way.

## Secretary Forgets; Boss Highly Pleased

CLINTON, Ill. (AP)—Carl Barding, an automobile dealer, was happy his secretary was forgetful about putting the company's money in the safe Wednesday night.

Burglars broke into Barding's office and took everything in the safe, Barding told police.

But when Barding's secretary, Mrs. Mary Lane, arrived at work Thursday she discovered she had left \$3,500 in her desk drawer, not in the safe where she normally kept the company's money.

Barding reported to police the cash loot from the safe was about \$80.

## Commissioners May Proceed With Project

Judge Says Action Did Not Provide For Court Costs

Court action against the proposed construction of a parking lot at the Pickaway County courthouse was dismissed today on twofold grounds: that the plaintiffs' petition did not provide for court costs, and that the petition was not filed in behalf of the State of Ohio.

A hearing was held in common pleas court this morning, with Judge Earl D. Parker of Pike County presiding.

The dismissal ruling was announced after about a half hour of deliberation.

THE SESSION got underway when William Ammer, representing the defendants, the county board of commissioners, requested that the case be dismissed.

Ammer's contention was that court costs were not secured and that the plaintiffs' petition was filed in behalf of the taxpayers of Pickaway county, not the State of Ohio.

JUDGE PARKER's decision was rendered after court had been adjourned in order to allow the judge, Ammer and attorney Kenneth Robbins, representing the plaintiffs, to discuss the matter.

Today's ruling does not prevent the plaintiffs in the case, Arthur Wilkin and William Hickey, from filing another petition.

The plaintiffs and their attorney could not be reached today for comment on a report that they would file a request for further court action.

The original petition was filed by Wilkin and Hickey after the county commission had let two contracts to George VanCamp, calling for the removal of trees and topsoil from the courthouse lawn and the construction of a paved parking lot. The local contractor removed the trees and top soil, but work halted at that point when the plaintiffs filed their suit.

Further action by Wilkins and Hickey came Saturday when they requested a temporary restraining order. The request was granted.

The board of commissioners defended its proposed project for a parking lot by filing for a petition in common pleas court asking that injunction against the construction be dissolved.

## Humphrey Opposes VA Interest Hike

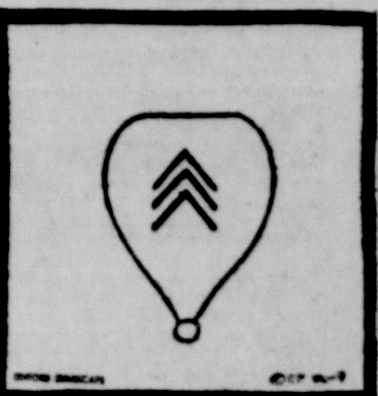

WASHINGTON (AP)—Sen. Humphrey (D-Minn.) urged the Veterans Administration today to expand its program of direct housing loans "to free up the tight money situation" for veterans desiring to buy homes.

Humphrey wrote VA administrator Harvey Higley voicing opposition to a report that VA would request Congress next year to raise the interest rate on GI home loans from 4½ to 5 per cent.

The Federal Housing Administration recently raised the maximum interest rate on FHA-insured mortgages from 4½ to 5.

## DROODLES

By ROGER PRICE

## "TOP SERGEANT"

In 1945 I wrote an article called, "How To Become A Top Sergeant," and due to a popular request (mine) I now reprint several of the steps in the procedure for the benefit of any new inductees who are launching their Khaki Careers. 1. First develop the proper disposition by wearing shoes that are too tight. 2. Learn to bark out commands by watching an expert like a Great Dane or a Bull Dog. 3. Buy some loaded dice. 4. Read comic books. 5. Marry the CO's daughter. 6. Have your father get elected to Congress. 7. Salute everything that moves. 8. Fail your I. Q. test. Just follow this simple advice and in no time at all you'll get your stripes. Or better still, maybe even a discharge.

## Kiwanis Plans To Sell Papers For Children

(Continued from Page One)

charge of the following committee: Pete Meshkoff, chairman; Harold Anderson; Bill Ammer; Joe Bell; Frank Marion; Leo Porebski; Bill Rieckey; Winship Story; J. I. Smith III, and Roscoe Warren.

The souvenir newspaper will picture and describe some of the activities conducted by local Kiwanians.

ONE OF the most noteworthy special programs conducted by the Circleville club during 1956 was that in which a large group of foreign educators visited here during the Pumpkin Show. The visit by the teachers attracted widespread notice over this section of the country.

Nearing the final planning stage at this time is the annual Kiwanis party at the Pickaway County Children's Home, one of the highlights of the local Yuletide festivities.

Residents who are not at home when their copy of the Kiwanis newspaper is delivered can send their contributions to any member of the local club.

## New Citizens

### MASTER STOCKLEN

Mr. and Mrs. Everett Stocklen of 146 E. High St. are the parents of a son born at 8:28 a. m. Friday in Berger Hospital.

## County's Pay Hassle Still In Progress

(Continued from Page One)

approximately \$300 left over from the original appropriation. Consequently, Mrs. Campbell decided to give two deputies \$150 monthly increases for December.

"After I saw they were giving out the other increases," she explained, "I decided that my girls deserved pay raises too. So I authorized the two \$150 raises for the month of December."

In listing the November 1 pay raises as found in the minutes kept by the commissioners, The Herald included three granted to deputy county treasurers. Through error, however, these three were not listed again in yesterday's review of the salary picture.

Two of the deputy treasurers were raised \$25 a month and a third was boosted \$40 a month, according to the payroll records which, in some minor instances, are in conflict with the figures listed in the commissioner minutes.

Payroll records give the present salary of all three deputy treasurers as \$240 a month.

## Letter To The Editor

The Circleville Herald encourages letters to the editor on pertinent subjects of local interest. However, unsigned letters will be disregarded. No demerit will be used if requested.

### EDITOR, THE HERALD:

Since the news article first appeared in your paper concerning pay raises granted to county employees, we have been approached and asked by various individuals as to whether we, as superintendent and matron, and the other employees at the Pickaway County Children's Home had benefited by these pay increases.

The article in your paper did not mention the children's home with other departmental employees receiving pay raises and some people wondered if we were included in the new salary schedules.

To clarify this matter, may we state that we as superintendent and matron nor any of our employees received any pay increases, and furthermore that we were not aware of the fact that any pay raises were contemplated, and did not know that any had been granted to any county employees until the article appeared in newspapers.

Our present salary schedule at the children's home is as follows: Monthly salary of superintendent, \$152; matron, \$130; farmhand, \$105; cook, \$95; girls' governess, \$90; boys' governess, \$90.

We feel that it is due to the low salaries paid for help at the children's home that we have been unable to obtain a laundress and housekeeper, and have been without them for over a period of one year, although we have inserted numerous "Help Wanted" ads in the newspaper, and have such an ad running at the present time.

For 10 months we were also lacking a boys' governess, having had one only since October 1, 1956. For the amount of money allowed for these salaries we find it impossible to obtain the necessary competent and reliable help that is vitally necessary to assist in caring for the children under our care.

Our monthly salaries paid to our employees is the average weekly to bi-monthly salaries paid for other similar services under present day living standards. The lack of services of the authorized help we have been unable to obtain, thus increases extra duties upon the matron at the home.

We invite the public to visit the Children's Home at any time.

"One Summer of Happiness"

## Day That 'Lives In Infamy' Is Recalled At Pearl Harbor

PEARL HARBOR (P)—Where once the battleships were moored row on row, inviting targets for the Japanese planes which smashed them 15 years ago today, a trim little motor launch ties up every morning.

Some 100 tourists walk slowly aboard, subdued, chatting in whispers, awestruck by the scene where history was made and the United States plunged into World War II, on the day that "will live in infamy."

They wear bright aloha shirts and cotton print dresses. Many have cameras slung around their necks. The children are along, almost unnaturally silent.

The day is brilliant. The trade winds rustle quietly, much as on Sunday, Dec. 7, 1941.

The launch passes a well-scrubbed Navy transport, one of only half a dozen or so ships in the giant harbor.

The transport's radar scope whirled steadily, scanning the skies. Only a handful of ships in Pearl had radar in 1941, and a radar warning from an Army outpost never reached the fleet.

"There were 94 ships in Pearl Harbor on Sunday, Dec. 7," the sailor on the launch says, rattling through his prepared patter.

The launch makes a wide swing and stops at the beginning of the now-deserted one-mile stretch of docks and buoys known as "Battleship Row."

There, in the space of about a mile, seven American battleships were moored when the Japanese struck. Four were sunk. Those afloat were damaged.

Some 2,000 men died, torn to bits in the explosions of bombs, burned to death in the flaming waters of the harbor as oil spilled

## DEATHS AND FUNERALS

### ROBERT WALTERS

Robert Walters, 73, of 465 N. Court St. died about 9:10 a. m. Friday morning in the Mound St. Home and Hospital.

He was born in Circleville, Aug. 14, 1883, son of the late Judge Festus and Mae Wilkes Walters.

Mr. Walters is survived by his wife, Rose Phillips Walters of 465 N. Court St.

Other survivors of the deceased are: four brothers, Edwin of 239 E. Franklin St., Homer and Nelson of the corner of Pickaway and Franklin Streets, and Ralph of Circleville Route 2.

Funeral arrangements are being completed by the Deffenbaugh Funeral Home.

### ALLEN FETHEROLF

Allen Fetherolf, 76, of Laureville Route 1 died about 4:40 a. m. Friday in University Hospital, Columbus. He was a butcher with the Fetherolf Packing Company in Laureville.

Mr. Fetherolf was born in Perry Township, Hocking County, February 11, 1880, the son of Dennis and Elizabeth Hartsough Fetherolf.

He is survived by his wife, Martha Julian Fetherolf.

Also surviving him are: six sons, Wayne and Woodrow of Logan, Eldon of South Bloomingville, Raymond of Columbus, Homer and Lloyd of Laureville; a daughter, Miss Eva Mae Fetherolf of the home; 22 grandchildren and four great-grandchildren; a brother, Millard of Laureville, and three sisters, Mrs. George Deffenbaugh of Laureville, Mrs. Carl Stump of Laureville and Mrs. William Notestone of South Perry.

Funeral services will be held Sunday at 2:30 p. m. in the Deffenbaugh Funeral Home with the Rev. Raymond Welch officiating. Burial will be in Tarlton Cemetery.

Friends may call at the funeral home beginning at noon Saturday.

### Too Late To Classify

OFFICE space for rent in Wellington building on second floor. Ph. 3 or 297.

from stricken ships and caught fire from incendiary bombs, trapped below decks of ships on their way to the bottom.

Huge columns of black smoke poured up and the harbor burned throughout the night of America's first hectic 24 hours at war.

Some of the battleships were refloated to fight on during the Pacific war, but the Japanese attack made obsolete the battleship concept of warfare.

The launch pulls alongside the sunken battleship Utah. Some six feet of the ship's deck sticks from

## Coffee? Maybe, But No Free Cigars Again!

Friends from all around are congratulating Mr. and Mrs. Paul Hang on the arrival of another son, born yesterday in Berger Hospital. But if papa's male pals think they're going to rush him for cigars, they've got another think a-coming.

There was a time, back not so long ago, when papa was indeed in the free cigar business — far more than he realized. Now he finds it much easier to hand out free coffee at his downtown store.

The rude awakening came while the father was happy with the arrival of one of the other Hang children.

To a young girl clerk at his store, with a grand wave of his giving arm, he beamed: "Let them have cigars — a cigar on me!"

AND SO the clerk let 'em have cigars. In fact, in no time at all she came around to Paul and said the cigars were "all gone."

"Oh, they can't be," he laughed. "There are five boxes under the counter."

"Yes, I know," she said. "I gave them away too."

Seems the girl gathered up every cigar on the premises, stood out front in the store, and waved a free cigar in front of every man who passed within 15 yards! There must have been a day or two when half the town was smoking those good, strictly free-free, Paul Hang cigars!

## New Junior College In Cincy Planned

CINCINNATI (P)—Dr. Walter C. Langsam, president of the University of Cincinnati, has disclosed plans to promote establishment here of a state-supported community junior college.

In a report Thursday night outlining university policy on finances for the next 5-10 years, he said the junior college "would do much to meet special local needs."

Dr. Langsam said that students living in Cincinnati will continue to get preference over out-of-town applicants in future enrollments.

the water at a crazy angle. The deck is concrete covered. The Utah was taken out of service in 1937 and used by the Navy as a bombing target.

"You may take photographs here," the sailor says. The picture-taking completed, the launch chugs up Battleship Row.

To the right, where the channel narrows, the carrier Philippine Sea—named for an American victory—rides at anchor, her deck massed with planes, their folded wings pointed toward the sky.

To the left, near the end of Battleship Row, an American flag flies from a platform some 50 feet from shore. It marks the sunken battleship Arizona, where 1,102 men from an apprentice seamen to a rear admiral—are still entombed. Oil still oozes from the ship.

It is because of the oil the sailor explains, that the Arizona was never raised to the surface. Divers who attempted the job were killed when their torches set fire to oil pockets.

The band of the Arizona was playing for the raising of the colors at 8 a. m. when the Japanese planes swept in.

A bomb plunged down her main smokestack—a "one in a million" hit—and eight minutes later she was on the bottom.

Many of the men below never knew what hit them.

The visitors watch the oil-darkened water lap quietly against the Arizona.

"Daddy," asks a little girl, "why did they bomb Pearl Harbor?"

"I don't know, honey," the father says, "but it was a terrible mistake."

## 'Mr. Glad's' Name Told After Death

NEW YORK (P)—"Mr. Glad," who played Santa Claus for down-and-out denizens of the Bowery for the past 30 years, will be buried today. But only his death reveals the real name of the jolly, silver-haired man who so long played his part in spreading happiness.

"Mr. Glad" was really Alfred Richard Rodway, founder and chairman of a Manhattan food-brokerage firm. He died last Monday at the age of 81. He had passed out change and sandwiches and coffee on the Bowery along with this message:

"Cheer up, old fellow, every cloud has a silver lining. Keep up your nerve and everything will come out all right."

## Worshipping In Truth

Worship that is acceptable with God must be rendered in "spirit" and "in truth" (John 4:23-24).

In John 17:17 Jesus said, "Sanctify them through thy truth: thy word is truth." Therefore, to worship God "in truth" means to worship according to the "word" which is "truth." If the Lord had just said, "worship" and had not prescribed the way, it would have been all right for man to use his own judgment or wisdom. However, in prescribing the things we are to do God thus excludes all that is not commanded, or authorized. It is as true with respect to our worship as it is with all other phases of our religious life that we are to "walk by faith" (2 Cor. 5:7), which faith comes by "hearing the word of God" (Rom. 10:17). Therefore, to find out what God will be pleased with in our worship to Him today we need but to find out what He is pleased with in New Testament times.

The New Testament Christians observed the Lord's Supper on the first day of the week in the manner the Lord had prescribed (Acts 20:7; 1 Cor. 11:23-26; Mt. 26:26-29). When we continue in this practice steadfastly today (Acts 2:42) the Lord is pleased.

The New Testament Christians sang psalms, hymns and spiritual songs in praise to God (Col. 3:16; Eph. 5:19; 1 Cor. 14:15; Heb. 2:12). When we sing, making melody "in our heart" the Lord is pleased.

The New Testament Christians "gave as they were prospered" upon the first day of the week (1 Cor. 16:1-2). We please God when we do this.

The New Testament Christians "prayed" to God (Acts 2:42; 1 Thess. 5:17). When we do this today the Lord is pleased.

The New Testament Christians taught or preached the doctrine of Christ (Acts 2:42; Acts 20:7). Again, the Lord is pleased with us when we preach his word without addition or subtraction (2 John 9; Gal. 1:6-9).

We must worship God in HIS way. To do so in OUR way is to worship in vain (Matt. 15:9).

## More Than Conquerors

SHOWING HOW THE HOLY SPIRIT HELPS TO FREE US FROM SIN

Scripture—Romans 8.

**By NEWMAN CAMPBELL**  
I FEAR that this lesson is going to be a somewhat difficult one to interpret to young children. The older ones will gain much in studying Paul's words to the Romans and applying his teachings to their own personal lives.

Dr. Wilbur Smith, editor of the *Sunday School Notes* suggests that the teacher might tell of an experience of his, when he was taken by a friend to visit a man of wealth who lived in a house that had not been painted or repaired for years; whose garden had not been tended, fruit trees were uncared for, the furniture was unused, beautiful books had been put away and never read, and the man himself, past 80 years of age, was living frugally though his wealth totalled \$2 million!

He had been liberal in giving to the Christian cause, but how much more good would he have done if he had made his home a comfortable place for himself to

live in, and a hospitable meeting place for the people of the church and for visiting missionaries, preachers and Christian people, generally, who needed such hospitality.

**MEMORY VERSE**  
"We know that all things work together for good to them that love God."—Romans 8:28.

With all that wealth how much good he could have done with it, if he had helped the poor and unfortunate. And how much happier he would have been if he had let the Spirit of Christ of which Paul writes, guide him!

We all know that from early childhood through our entire lives we are fighting divers temptations. When we are young we are trained in ethical conduct by our parents. For most of us the pattern of our lives, whether for good or evil, is set by our training in the home and by the examples of parents.

Even so, we may, and often are tempted to do wrong—not to commit crimes possibly, but to be selfish, inconsiderate of others, quarrelsome, etc.

How do we overcome these urges? God always helps us if we pray to Him or to His Son.

Based on copyrighted outlines produced by the Division of Christian Education, National Council of Churches of Christ in the U.S.A., and used by permission.

**Williamsport Christian Church**  
Rev. Robert Boyce, Pastor  
Sunday school, 9:30 a. m.; Evening worship service, 10:30 a. m.

not what we should pray for as we ought; but the Spirit itself maketh intercessions for us with groanings which cannot be uttered." This Spirit is one of the Trinity—God the Father, Christ His Son, and the Holy Spirit.

"And we know that all things work together for good to them that love God, to them who are the called according to His purpose."

When tragedy strikes a family, this may be difficult to believe, but faith in the goodness of God and His help in time of trouble, can still triumph over disaster. Paul writes, "If God be for us, who can be against us?"

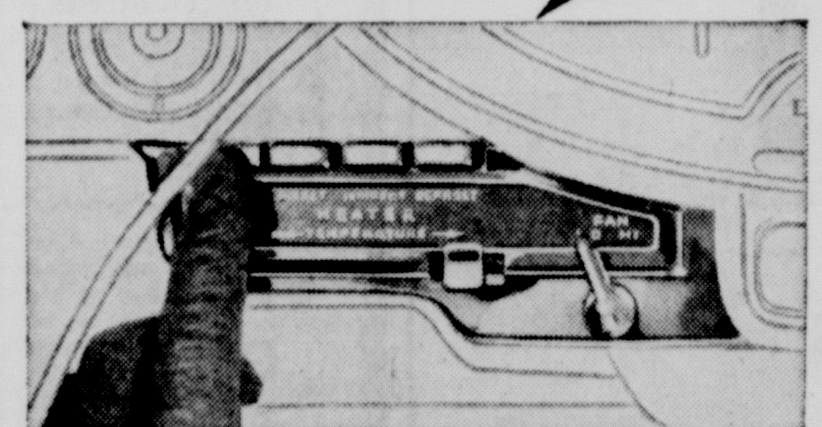

"Who shall separate us from the love of Christ? shall tribulation, or distress, or persecution, or famine, or nakedness, or peril or sword?"

God sacrificed His Son to die for our sins. He will not forsake us as we go through life if we trust in Him and obey His commandments. Living thus we too can be "More than conquerors" throughout our lives.

## "Mary Haworth's Mail"

DEAR MARY HAWORTH: My problem is my husband—I'll call him Bob. We have been married only eight months and normally should be still in the honeymoon phase. But that's the whole trouble, we never were!

Even on our honeymoon, of less than a week, Bob never acted like a bridegroom or lover. Although disappointed at first, I consoled myself that he was being considerate for my sake. How wrong I was!

But before I go any further, let me say that it isn't the meager sex life that bothers me; rather, I simply long to know that I am loved. I have never refused Bob at any time, but he has refused me, with little remarks about my being "too forward," or about his need of rest, etc.—none of which is really justified.

At times I feel actually ill, to think that my life should be run like a time table—so many hours for work, so many hours for sleep; up by the clock, to bed by the clock; meals on schedule, food that is "good" for you (like it or not), and so on.

I can't even argue these matters any more, because I end up saying "I'm sorry;" or Bob won't talk until I am ready (as he puts it) to see what's good for me. Occasionally I wonder what a real flesh-and-blood husband would be like, and I pray God to give me strength to remain a faithful wife. But how can you be true to an iceberg?

R. Y.  
DEAR R. Y.: Well, this is a classic example of what is meant by "incompatibility"—a basic disharmony and defect in marriage that largely prevents the twain from being (or becoming) "one flesh." In that sense, it repudiates and obstructs the very purposes of marriage: chief of which are loving procreation and general mutual consolation.

Thus, such incompatibility long has been rated by law-giving bodies as just and sufficient cause for divorce. Especially if the inadequate party is frigidly defensive and disobliging as regards the misfortune—either refusing to concede the existence of a demoralizing factor that cries for remedy; or perhaps imputing the origin of the problem to the normally hungering spouse.

In fairness to both you and Bob, the only real help I can offer is the truth about the nature of the impasse. Bob's overall performance as described—in pursuing a treadmill routine with mechanistic rigidity, while shrinking from sexual investment in marriage—is indicative of acutely psychoneurotic character.

Psychiatric inquiry into the meaning or motivation of Bob's

time clock design-for-living probably would discover that it represents a compulsive defense against spontaneous being. It is a desperate counter-attack against the main force of his own original disorderly feelings—of love-hunger, hate, fear, etc.—launched before they became a faceless mass of illogical inhibitions.

Bob is a failure at physical love because unconsciously he is at war with all the forces that have shaped him. To love another with authentic charity, one must have peace of soul which Bob hasn't got. Indeed his social personality more nearly resembles clanking armor than mind-and-spirit; and back of this "front" he is profoundly self-concerned and self-absorbed, in a cloudy underground of hostile anxiety.

I don't advise you to try to make philosophic adjustment to Bob's distorted ejection bravado at this time. Rather I think steady, articulate, self-respecting protest against his smugly sick behavior is a health-necessity for you and him. Maybe you can't win—in terms of arousing him to get help for his morbid condition, and outgrow it and become a real man. But at least you will have tuned in on "the living truth" about the problem—thus dissolving the false

## Newark Defense Motion Denied

NEWARK (AP)—A defense motion to reduce the charge against Harold E. Shackelford from first to second degree murder was overruled Thursday by Judge Charles B. Holtzberry.

Shackelford's trial went into its fifth day today. The 32-year-old defendant is charged with attempted rape and the slaying of Miss Mary Dunn, 51, last Sept. 16.

Defense Attys. Joseph Fitzgibbon and Robert Weaver contended that the prosecution has introduced no direct evidence of attempted rape in the strangulation killing.

## New Trial Ordered For Divorcee, 54

DAYTON (AP)—The Second District Court of Appeals Thursday ordered a new trial for Mrs. Ruth N. McDaniels, 54-year-old divorcee convicted last February of first degree manslaughter.

The case was returned to Montgomery County Common Pleas Court where Mrs. McDaniels was found guilty in the butcher knife killing of Roy Boian, 54. Mrs. McDaniels claimed self defense.

shame you've been suffering so far.

## Cooperative Effort Started To Boost Ohio Air Service

COLUMBUS (AP)—Groundwork for a cooperative effort by a score of Ohio and neighboring-state cities to obtain improved or new airline service was laid here at a meeting Thursday.

The session heard six airline applicants outline their cases.

Represented were Allegheny Airlines, Washington, D. C.; Lake Central Airlines, Indianapolis; Mohawk, Ithaca, N. Y.; North Central Airlines, St. Paul, Minn.; Ozark Airlines, St. Louis, Mo., and Piedmont Airlines, Winston Salem, N. C.

John P. Biehn, Columbus Airport Commission chairman, said the purpose of the meeting was to familiarize all affected cities with route proposals in the Great Lake area local service investigation case which goes before the Civil Aeronautics Board next March.

At stake is a local air service pattern for the Great Lakes area with Ohio in the approximate center. The six airlines making application for realignment and new routes would provide new air service for a score of Ohio communities.

The largest proposal in the Great Lakes case is offered by Lake Central. The airline wants 12 new improved or first-time routes linking 20 Ohio cities to Washington, D. C.

Mohawk Airlines wants to ex-

## 39,353,000 Yanks Going To School

WASHINGTON (AP)—Enrollment in the nation's schools, from kindergarten through college, hit a record 39,353,000 this fall.

The Census Bureau said this was an increase of 4,903,000 since the fall of 1953 and a gain of 1,927,000 over last year.

The totals include enrollment in public, private and church schools and colleges.

operates throughout the Carolinas and Virginia.

Brown said the session here should not be construed as a pre-trial hearing.

# World Today

By JAMES MARLOW  
Associated Press  
News Analyst

WASHINGTON (AP) — Fifteen years ago today the United States went to war against fascism. It is a war which has never really ended although today the enemy is called communism.

There is a theoretical economic difference between communism and fascism, but no basic difference. This is part of the definition of fascism, given by the American College Dictionary, which could apply equally to communism:

"A governmental system with strong centralized power permitting no opposition or criticism, controlling all affairs of the nation . . . emphasizing a strong nationalism . . ."

Both systems had their roots in absolutism. For the German Nazis and the Russian Communists this meant they were so right they owned the government and it became everything and the individual nothing.

Out of this contempt for individuals the next view followed naturally: an arrogant certainty they were so right that everyone everywhere would have to acknowledge and accept their rightness, meaning their right to rule.

This meant expansion and control of the world. The Fascists tried, but tried too fast. The Russians are trying more slowly.

It is ironic that the leaders of both systems, which claimed to be opposites while actually being so similar, sought to justify their ambitions by explanations which looked like opposites but wound up being twins.

The Fascists were, and the Communists are, mystics. It was pure mysticism for Hitler to claim for his Germans an innate superiority of blood. The Communists are no less mystical while believing themselves utterly realistic. They base the claimed rightness of communism on what they call Marxist science. One claim is as much nonsense as the other.

The Fascist-Communist belief in the unfitness of the majority of people to know what's good for them meant majorities should be led by a minority, an elite group, a governing class.

The Fascists were, and the Communists are, an elite group. The Nazi party members were only a small proportion of all Germans; the Russian Communists number perhaps no more than six million among 200 million Russians.

The list of similarities could be Communists used and the Communists still use, secret police and torture. With the state all and the individual nothing, a critical individual is seen to be destroyed, as the Russians demonstrated recently in Hungary.

In short, while fascism and communism both claim to be modern, both are primitive.

The war against the German-Italian-Japanese brand of fascism was not wasted. It was one of those historical necessities which require force to handle an enemy when he abandons reason.

It was a problem which had to be dealt with at the time, but there were probably few people who looked up victory in that war either as final victory over war itself or a permanent solution against resort to force.

It has been the hope since World War II that communism could be handled by persuasion and pressure short of shooting to stand still, back up or disintegrate. It is a hope which may be ill paced.

The Germans tried whatever aggressions they could get away with—short of world war—until they felt they were able to wage that war.

The Russians have tried aggression short of all-out war too, and it is believed they are not ready yet for that. When they are, they may try it.

## Year Of Unrest In Oil Supply Seen

MIAMI BEACH, Fla. (AP) — A government oil official believes it may take a full year to restore normal oil transportation channels disrupted because of the Suez Canal crisis.

H. A. Stewart, director of the Interior Department's Office of Oil and Gas, told the Interstate Oil Compact Commission that although the Suez Canal may be cleared in six months, it may take a year to restore damaged pipelines to normal capacity.

Meantime, the United States is stepping up its domestic production both to meet its own needs and to help relieve a serious shortage in Europe.

## Air Force Plans Shift Of 5 Wings

WASHINGTON (AP) — The Air Force is shifting five wings of its reserve forces from tactical to troop carrier assignments.

The change, to be effective by Oct. 1 next year, "is in keeping with the program to meet continuing airlift capability requirements," the Air Force said.

The Army has accused the air force of providing an inadequate airlift for ground troops, but has been barred from acquiring its own planes for the purpose.

The Air Force said it also is converting two Air National Guard tactical bomber wings to fighter-interceptor wings.

## Shopping Trip Ends In Tragedy

AKRON (AP) — A Christmas shopping trip to buy toys ended in tragedy Thursday night.

Mrs. Catherine Fromczkowiak, 67, and her granddaughter, Mrs. Delores Bulina, 24, were killed when a train hit their car.

Mrs. Mary Didato, 44, daughter of the older woman and mother of Mrs. Bulina, was injured. Police said their automobile pulled onto the tracks despite flashing signals, warning bells and shouts from a watchman.

## Yule Fireworks Blast Hurts 6

DAYTON (AP) — Six persons were hospitalized Thursday night after a mortar shell at a Christmas fireworks display zoomed through a crowd at the East Town Shopping Center here.

Police said sparks from the final display of the show set off a mortar shell that had been discarded. None of the injured was in serious condition.

## School Problems Get Study At Ohio Education Confab

CINCINNATI (AP) — The Ohio Education Assn. dug into the business of its annual meeting here today with a round of conferences on school problems.

Delegates today also voted on association officers, but the results won't be made known until Saturday's final session.

Today's morning and afternoon sessions split delegates up into study groups by their jobs—teachers, principals and administrators. The important policy-making decisions are scheduled for tonight's general session.

Delegates Thursday night completed nominations for association officers with contests scheduled only for the 10 members of the education council.

Miss Jennie L. Davis of Cincinnati, now vice president, is unopposed for the presidency. School Supt. John McDowell of Hudson was nominated without opposition for vice president.

Also unopposed for the executive committee are Glenn Livingston, a Van Wert teacher, and Supt. W. L. Shuman of Cuyahoga County.

Candidates for the Ohio directors are Miss Margaret Boyd, Steubenville; Miss Lucille Carroll, Wooster.

## Earth's Age Said 3½ Billion Years

WASHINGTON (AP) — An Irish scientist estimates the age of the earth at about 3½ billion years and that of the universe at no more than 6 billion years.

The Smithsonian Institution said these conclusions are in an article written for its annual report by Dr. E. J. Opik of Armagh Observatory in Northern Ireland.

In estimating 6 billion years as the upper limit of the age of the universe, Dr. Opik means the beginning of the star systems or state of matter out of which they evolved — not their present configurations.

## Geer Hearing Set

LANCASTER (AP) — A hearing is set for Monday in common pleas court on a motion of Dr. Joseph A. Geer, 42, Fairfield County coroner, to have his trial transferred to another county.

## C&O Buying Share In Air Freight

CLEVELAND (AP) — The Chesapeake and Ohio Railway Co., "impressed with the growth prospects of air freight," has acquired a "substantial" interest in Slick Airways, Inc., an air freighter.

Walter J. Tuohy, president of C&O, and D. W. Rentzel, chairman of Slick, announced Thursday that C&O is taking \$3,333,000 of Slick ten-year debentures, from an issue of \$5 million scheduled for next month. The debentures would be convertible by C&O into Slick common stock in two years. The balance of the debenture issue will be taken by the Slick family, now the largest holder of the airline's \$50,000 common shares outstanding.

## Prosecution Near Finale In Trial

DAYTON (AP) — The prosecution was expected to rest its case today in the first degree murder trial of Lee Bryant, 43, charged with killing Thomas W. Barner, 36, after an argument.

Worth Click, owner of the Dayton tavern where Barner was killed last Aug. 20, testified Thursday he had tried to break up an argument between Bryant and Donald Eugene Straitiff, 29, earlier that night.

The prosecution contends that Bryant killed Barner in a case of mistaken identity and that he had actually intended shooting Straitiff because of an argument over a \$10 baseball bet.

## Galvin Wire Service Now In 6h Year

Today marked the beginning of the sixth year of operation for Galvin Wire Service, a cooperative venture sponsored by this and four other Ohio daily newspapers.

The service, with headquarters in Cincinnati, provides the five papers with state, national and world news—all automatic in type form. Operating the service are the Cincinnati Herald, Logan Daily News, Van Wert Times-Bulletin, Washington C. H. Record-Herald and Wilmington News-Journal.

Each of the papers receives this service over long distance telephone cables carrying impulses of the Teletypesetter process. A receiver stationed in each paper's composing room spews out perforated tape which is run through linestacking machines to set the type.

The same Teletypesetter process is used by each paper to compose type for all local news. The Galvin Wire Service allows each paper to concentrate on the reporting of local news.

The Cincinnati headquarters receives Associated Press news dispatches from throughout the world. Its news reception totals about 60,000 words daily. This is edited and condensed to a volume tailor-made to the requirements of the five papers.

During the first five years of operation the Galvin Wire Service office activated a total of 23,044,881 lines of type—enough to fill solidly

## Nebraska Pen Fugitive Nabbed

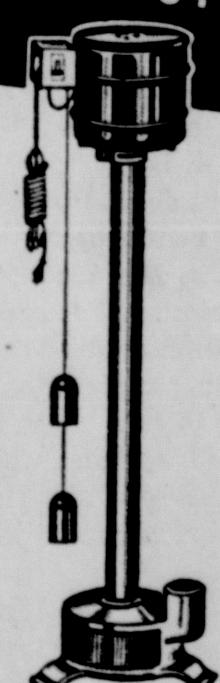

ZANESVILLE (AP) — Francis D. Taylor, 28, a fugitive from Nebraska State Penitentiary, was

captured Thursday at his mother's home near Roseville.

Muskingum County Sheriff David Weissert said Taylor was arrested soon after he arrived at the home of his mother, Mrs. Mabel Taylor. Weissert said Taylor, who was serving a term for bigamy, escaped two months ago.

## It's a Whiz at Everything a car should do

It turns out that the 1957 Buick is far more than just a brand-new automobile.

It turns out that this new '57 Buick is winning the raves with a new kind of going and a new kind of stopping—a new kind of handling and a new kind of road sureness—a new kind of safety and a new kind of comfort.

We'll be specific.

When you press the pedal of a new '57 Buick, the response is literally instant . . .

Because the high-torque power of a new 364-cubic-inch V8 engine is delivered in the split of a second through a new full-range Variable Pitch Dynaflo\* that's immediate in its oil-smooth action.

When you brake to a stop, you and the car stay on a level plane . . .

Because an ingenious new ball-joint suspension in every '57 Buick virtually ends the down-in-front dip that cars have on sudden stops.

When you take a turn or swing into an "S" curve, you still hug the road like a streamliner on rails—

Because under you is a massive wide-frame new chassis that "nests" the whole car inches closer to the road with the lowest center of gravity in Buick history—yet with no change in road clearance.

And when you sit in the deep comfort of those soft wide seats, you can drive with the pleasant ease of a clear conscience, without watching the speedometer . . .

Because only in Buick today can you have an ingenious new Safety-Minder\* that acts as a warning sentinel for the miles-per-hour you preset for yourself.

There are many other new things that make this gorgeous Buick a car of limitless wonders—from the bigger and more rakish windshield that makes seeing more relieving, to the extra roominess that's so surprising in this beauty with the sports-car lowness.

But there's nothing like a firsthand sampling to know how modern the newest thing on wheels really is. Come in today for your meeting with the newest Buick yet.

\*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special. Safety-Minder standard on Roadmaster, optional other Series.

## 26 Attend Christmas Meet Of Christian Home Society

### Slate Of Officers Announced For Year

The Christian Home Society of Christ Lutheran Church held its Christmas meeting in Trinity Lutheran parish house with 26 members present.

Mr. and Mrs. Lawrence Krimmel were hosts for the covered dish dinner, which preceded the business session.

The Rev. Carl Zehner read the Christmas scripture and led the group in prayer, after which several Christmas carols were sung.

The slate of officers for the coming year was announced as follows: president, Mrs. Paul Thompson; vice-president, Mrs.

Harry Kern; secretary, Mrs. Jerold Easter; treasurer, Mr. Harry Kern; reporting secretary, Mrs. Lyle Davis and pianist, Mrs. George Schleich.

At the close of the business meeting, Seaman Robert List showed scenic pictures, which he had taken while stationed with the United States Navy in Japan and the Hawaiian Islands.

The members held the annual gift exchange to close the meeting.

### Dr. Ray Carroll Presents Movies At Grange Meet

Highlight of the program during the meeting of Logan Elm Grange was a colorful movie, shown by Dr. Ray Carroll, of his vacation in the Caribbean Sea.

Mrs. T. L. Pontius was in charge of the program. She presented Brenda List, who played "Jingle Bells" on her xylophone, with Nancy Wilson accompanying her on the piano.

Worthy Master, Hoyt Timmons, presided during the business session. Mrs. Timmons, a member of the Home Economics Committee gave a report on the County Economics meeting.

Linda Wilson, youth chairman, reported that the county youth will hold a covered dish supper with movies and slides of the youth work in the county to be shown, at 7 p. m. December 27 in Pickaway Township School.

Robert Valentine was appointed chairman of the third and fourth degree team.

Mr. Timmons gave a report of the district conference held at Logan.

Mr. and Mrs. Leroy Thomas and their committee: Mrs. T. L. Pontius, Mr. and Mrs. John Kerns, Mrs. C. O. Kerns, Mr. Clifford Kerns, Mr. and Mrs. Donald Jenkins, Marvene Dunkle and Mrs. Myrtle Southward, served refreshments.

The next meeting will be held at 6:30 p. m. December 18, at which time a covered dish supper will be served and a gift exchange held.

## Personals

Mr. and Mrs. M. W. Burkhardt and daughter Judy of N. Pickaway St. attended a concert in Columbus, given by the Columbus Symphony Orchestra and featuring the nationally famous Angelaires, a harp quintet. Mrs. Burkhardt and Judy attended a reception for the Angelaires during the afternoon and had an opportunity to meet the five harpists.

The regular meeting of the Geneva Fellowship Couples Club will be held at 8 p. m. Sunday in the Presbyterian Church, at which time members will conduct their annual Christmas caroling.

The annual Christmas Tea of Berger Hospital Guild 21 will be held at 7:30 p. m. Monday with Mrs. George W. VanCamp of Oakwood Pl. as hostess, and Mrs. Larry Varble as co-hostess.

The Jaycee Wives will hold their Christmas party in the club rooms at 8 p. m. Tuesday.

The Parents Association of the Pickaway County Youth Canteen will meet at 8 p. m. Tuesday in the canteen rooms.

Mrs. LaDonna Haslep, lecturer, is planning a Christmas program for the Tuesday, December 11, meeting of Scioto Valley Grange. Mrs. Herb Swoyer and Mrs. Harold Bumgarner will be matching ideas with their husbands on "Should Husbands Accompany Wives While Christmas Shopping." All members are urged to attend the meeting.

## Woman's Society Holds Meeting In Bidwell Home

The Etta Hunsicker Circle of the Woman's Society of Christian Service met in the home of Mrs. Winifred Bidwell of near Williamsport.

The meeting was attended by 12 members and three guests. Mrs. Keith Bidwell, Mrs. Marie Gibson and Mrs. Clyde Bidwell.

Mrs. Robert Barnes used the topic, "United Nations, A Good Trustee," in the devotional service, and Mrs. George E. Hamman, program leader, continued the topic of UN.

The devotionals were closed with a story entitled, "The Origin of Thanksgiving."

Mrs. Jay Seaburn assisted Mrs. Bidwell in serving the refreshments.

The next meeting will be held December 26 in the home of Mrs. Barnes.

Add a bay leaf, a few whole cloves and whole allspice, celery leaves and thin carrot slices to the water in which you are cooking shrimp. Save the cooking liquid, after you have drained the shrimp; strain it and use as the base for a delicious shrimp bisque.

### Wedding Rites Unite Miss Reed, Mr. Swackhammer

Miss Donna Reed and Mr. Dale Swackhammer were married in St. John's Evangelical United Brethren Church of Stoutsville.

The double ring ceremony was performed by the Rev. R. E. Gonsler.

The bride is the daughter of Mr. and Mrs. Don Reed of Stoutsville and Mr. Swackhammer's parents are Mr. and Mrs. Raymond Swackhammer of Laurelville.

The bride, given in marriage by her father, wore a ballerina-length gown of dupioni silk, fashioned along princess lines. Her shoulder length veil of imported silk illusion was caught to a small velvet crown, and she carried a cascade of white Fugii chrysanthemums centered with white roses.

Mrs. Phillip Payne of Chillicothe was matron of honor.

Mr. Phillip Payne served as best man and ushers were Mr. Paul Reed, brother of the bride, and Mr. Paul Woods.

The new Mrs. Swackhammer is a graduate of Stoutsville High School, and is presently employed by the Snyder Electric Company of Lancaster.

Mr. Swackhammer attended Laurelville High School and is now associated with the Bowers Tractor Sales.

The couple is residing in Stoutsville.

### Mrs. Emily Amey Notes Birthday At Family Event

Mrs. Emily Amey celebrated her birthday by attending a movie in Columbus, and a family dinner in Pickaway Arms.

Mrs. Amey was surprised with a lovely birthday cake, which was served in the home of her son-in-law and daughter, Mr. and Mrs. C. T. Vaughan and daughter Joan of Northridge Rd.

Guests for the occasion were: Mr. and Mrs. Andrew Thomas and son David, Mrs. Betty Goodman, Mrs. Henry Miga, the honored guest, Mrs. Amey, and the hosts, Mr. and Mrs. Vaughan and Joan.

Christmas party, to be held in the church.

### Sunday School Youth Hold Meet

The youth of Mt. Pleasant Sunday School held their regular meeting in the social room of the church.

The session opened with Phyllis Dewey, president, presiding. Devotionals were conducted by all the members.

Following the business meeting, the group enjoyed games and refreshments, which were furnished by Darlene Hopkins and Patty Killian.

The next meeting will be a

## Grooming Tasks Should Include Weekly Manicure

How easy it is to let little beauty tasks slide by undone! That is especially true with fingernails. How many can pass a grooming test?

When you get right down to it, that weekly manicure can not consume more than 15 minutes. Still, women let a week go by, maybe two, without doing nails. The polish chips and hands look dingy before the job is taken care of.

If you fall into this category, if you are a gal who slaps on a coat of new polish over an old one on your way out the door to a party, make a few resolutions:

Resolve to do nails at least once a week. When you do, be sure to give them a base coat, two coats of polish, a top coat. That will keep them slicked up for at least seven days.

If nails are brittle, start your manicure with a coating of white iodine to strengthen them.

You smokers watch those nicotine stains. You will avoid them if you hold your cigarette properly—at an angle that does not permit

## Britain Looks To U.S. For Another Loan

America Said Worried About Condition Of Sterling Money Bloc

By SAM DAWSON  
NEW YORK — Britain once more is looking to Uncle Sam to help her out of another financial mess.

Crisis for the pound sterling, which a large part of the world uses to transact business, have come along since the war with fair regularity—1946, 1949, 1952, 1955. The present one looks like a dilly.

Uncle Sam would suffer, too, if the pound sterling were weakened too much. And U. S. foreign policy is based on alliance with England and western European nations. Besides, England points out it could put up securities for the loans it seeks.

Here is what Britain asks:  
1. Forgiveness of an 81 million dollar interest payment this month on the U. S. loan of 1946 which stayed off disaster for the sterling area at the end of the war.

2. A possible new loan, but based on British owned dollar securities as collateral.

3. Help in getting the dollars needed to finance the shipment of Western Hemisphere oil to England to replace oil resources of the Middle East cut off by the blocking of the Suez Canal and by pipeline sabotage.

The latest onslaught on the pound sterling started when Nasser seized the Suez Canal. International confidence in the pound began to waver and the Bank of England had to step in to help hold it at the official rate of \$2.80 in terms of the American dollar.

British reserves of gold and dollars began to shrink rapidly. Then British and French troops landed in Egypt and the rout was on. During November the reserves dropped by 279 million dollars, slipping below two billion dollars to the lowest level since December 1952.

It's going to be a rough winter in England at the best, even with the aid which Uncle Sam is likely to give her. Oil shortages mean more than just the parking of the family car in the garage. They threaten a drop in factory output. This could mean unemployment at home and a decline in exportable goods, further weakening the position of the pound in relation to the dollar.

The weakness would affect a large part of the world outside the Iron Curtain. The dollar area covers most of the Western Hemisphere. The sterling area includes the British commonwealth nations, except Canada. Among them are India, Pakistan, South Africa, Australia, New Zealand. One fourth of the world's population is in the sterling bloc. And Americans trade with all of them.

Already, however, there is talk in England of imposing strict quotas on the importation there of American goods. The government will need what dollars it can lay its hands on—by trade or gift or loan—to pay for the oil and other raw materials its factories require.

NEAR 50 YEARS AGO  
Henry Ford's famed Model T was soon to come. It was described as "simple in design and almost austere in appearance."

## County Auditors Select Officers

COLUMBUS — Some 125 county auditors and their deputies at the annual meeting of their state association have elevated vice president Earle B. Kincaid of Batavia to president for 1957.

Kincaid, Clermont County auditor, will succeed retiring president Earl Morr of Wauseon, Fulton County auditor.

Carl R. Smith of Portsmouth, Scioto County auditor, was named vice president.

Re-elected were secretary Donald R. Kinsey of New Philadelphia, Tuscarawas County auditor, and treasurer Forrest R. Hanson of Madison County.

## Non-Egyptian Teachers Fired

CAIRO, Egypt — Fifty British and French schools in Egypt have been taken over by President Nasser's government and will be operated under Egyptian headmasters.

Sayed Youssef, undersecretary of education, said English, French and Australian teachers in the schools are being dismissed.

Youssef said the emphasis in history and geography courses would be shifted to an Egyptian viewpoint, but the curriculum otherwise would remain unchanged. The schools eventually will be "Egyptianized," he said, with textbooks all in Arabic.

## Neighbors Sniff, Moonshiners Found

YOUNGSTOWN — Because neighbors complained of a "peculiar odor," two Youngstown men were bound to a federal grand jury Thursday on charges of operating an illegal still.

John E. Pugh, 26, and Robert L. Jones, 30, were released on

# Ohio GOP's Campaign Cost Reported Near \$2 Million

COLUMBUS, Ohio — Ohio Republicans spent nearly two million dollars to finance the November election campaign, they reported to the secretary of state Thursday.

The Ohio Republican Finance Committee, which made the report, serves as a central agency that pools contributions and distributes them for local, state and national campaign use.

Ohio Democrats do not operate a pool system that would provide a comparative figure.

The GOP finance committee listed expenditures of \$1,920,176. Its receipts were \$1,936,328, and it reported pledges of \$31,145.

The committee statement showed a balance of \$16,150.

In 1952, the committee listed expenditures of \$2,021,389, uncollected pledges of \$32,795 and receipts of \$2,031,494.

In all, the report showed, the committee spent about \$100,000 less this year than in 1952.

The Democratic State Central and Executive Committees listed expenditures of \$86,120 and receipts of \$88,803. The distributions included \$25,585 for operation of state headquarters in Columbus.

Others reporting to the secretary of state before Thursday's 4 p.m. deadline included:

Michael V. DiSalle of Toledo, unsuccessful Democratic candidate for governor, who reported no contributions and personal expenditures of \$2,500 in the campaign. His committees filed sep-

arate reports. The DiSalle for Governor Committee received and spent \$71,520.

Atty. Gen. C. William O'Neill, who ran on the Republican ticket to defeat DiSalle in the gubernatorial race, reported no personal expenditures or receipts.

The O'Neill for Governor Campaign Committee said it spent \$104,719 of receipts totaling \$106,407. The \$1,688 balance will be ap-

plied toward unpaid bills totaling \$25,736, the committee said.

Republican Secretary of State Ted W. Brown, who won re-election, listed personal receipts and expenditures of \$1,597. His committee said it received and spent \$14,966.

Paul M. Herbert's committee took in \$4,983 and spent \$4,900 on his successful campaign for election as lieutenant governor on the GOP ticket.

The Ohio CIO Council reported receipts and expenditures of \$26,470 on the campaign.

The Ohio CIO Committee on Political Education said it received \$16,403 which it coupled with a balance of \$6,985 from last Jan. 1

## FLO-LIZER

Newer Way To Finer Farming

Be modern! Take the work out of your fertilizing program. Use FLO-LIZER, complete liquid fertilizers.

Your FLO-LIZER dealer can save you time and money by efficiently applying your PLOW DOWN fertilizer and TOP DRESSING your wheat. Do it now! Don't take a chance on another late spring. University tests prove that fall application of fertilizers are equal and sometimes superior to spring applications.

By plowing down FLO-LIZER'S HIGH NITROGEN complete fertilizer this fall, you eliminate side dressing next spring.

Your FLO-LIZER dealer will be happy to take a soil test for you. Why not give him a call?

## Amanda, Kingston, DeMolay Win Cage Games At Local Coliseum

In three cage contests played last night at the fairgrounds coliseum, Amanda Merchants downed Pickaway Dairy, 66 to 63, Kingston defeated Scioto Elks, 69 to 59, and DeMolay trounced Stoutsville, 59 to 46.

Powerhouse Pickaway Dairy was dropped from the ranks of the unbeaten as equally strong Amanda beat down a final quarter rally by the losers to win by three points. Last night's win puts Amanda in sole possession of first place in the city league.

The league leaders' win was paced by Tom Bryant who connected for 30 points to gain quarter honors for the night. Teammate Hinton collected 15.

Jack Young was the big gun for the dairy five, hitting the hoop for 22 points. Dick Boyd assisted with 16.

ALTHOUGH the Elksmen trailed by only one point, 43-42, at the

## Tribe, Reds Dickering In Player Swaps

JACKSONVILLE, Fla. (AP)—The Cleveland Indians have offered pitcher Mike Garcia to Detroit and slugger Al Rosen to Boston for a much-needed first-string catcher and the Cincinnati Redlegs have made a concrete offer to Brooklyn for third baseman Randy Jackson.

This information was among a few choice items learned as the minor league convention came to an end today and the baseball folks unpacked their winter clothes for the major league meeting in Chicago starting Monday.

A Tiger official revealed that Hank Greenberg, general manager of the Indians, had offered them Garcia and second-string catcher Hal Aragon for Frank House, the left-handed-hitting bonus catcher.

"It's an interesting offer and we're considering its possibilities," said the Detroit official. "We could use another starting pitcher and Garcia could help."

The same source also said he was aware that Greenberg has made a man-for-man offer of Rosen, the hard-hitting third baseman, to the Red Sox for catcher Sammy White.

It is believed the Redlegs, seeking to solve their third base problem, have offered Smokey Burgess, their second-string catcher, to the Dodgers for Jackson after having been rebuffed by the Chicago Cubs in an attempt to land infielder Gene Baker and pitcher Sam Jones.

## Tebbetts Honored By Cincy Club

CINCINNATI (AP)—The Cincinnati chapter of the National Exchange Club has awarded its annual "man of the year" honor to Birdie Tebbetts, manager of the Cincinnati Redlegs, for his "outstanding contribution to baseball" during 1956 when his team finished third in the National League.

Presentation of the award is planned for next Thursday at the chapter's annual dinner.

## Wait'll Next Year Irish Pilot Says

SOUTH BEND, Ind. (AP)—"Next year we'll put out one of the best teams in the United States," Coach Terry Brennan told the annual Notre Dame football banquet Thursday night.

There was a note of confidence at the banquet, attended by some 700 followers, that Brennan will remain as head football coach although his 1956 Irish had the university's worst record ever.

In the main address, the Rev. Edmund Joyce, executive vice president of the university, recalled that Knute Rockne enjoyed his greatest seasons in 1929 and 1930 after his Irish had a poor year in 1928.

## Syracuse Star Cited By Group

CLEVELAND (AP)—The Cleveland Touchdown Club has selected Jim Brown, Syracuse University halfback, as the nation's outstanding collegiate football player.

Brown will receive a trophy, which goes with the selection, at the club's dinner Jan. 17.

Two other players, quarterback Paul Hornung of Notre Dame and Ron Kramer of Michigan, were nominated by the club.

Brown, third in the country in

## Hungarians Head Sadly For Homeland

MELBOURNE (AP)—Eighty three grim faced Hungarian athletes and officials flew out of Melbourne and the Olympic Games tonight aboard a giant French airliner.

Empty seats in the plane bore silent witness to the Hungarian tragedy.

Originally the passenger list called for 91 members of the team, but an undetermined number—possibly forty or more—had chosen to cut their ties with their Soviet ravaged homeland and seek freedom in Australia or the United States.

A second plane with a scheduled passenger list of 60 flies out Saturday. Then the full extent of the defections from Hungary will become clearer.

Left behind were such noted Hungarian sports figures as famed running coach Mihaly Igloi and four minute miler, Laszlo Tabori.

Other great figures in the Hungarian sports world are expected to leave the group at Milan. That's

rushing and seventh in total offense, was the No. 1 choice of the Cleveland Browns in the recent National Football League draft.

the final point of decision, for from Milan the team moves by train to Budapest and a future clouded in the fog of revolution.

Most of those who walked silently to the big double decked aircraft looked straight ahead. Some succeeded in producing warm smiles and waves of the last farewell.

## Wallace, Anthony Slated For Bout

NEW YORK (AP)—Two men who hope to earn a shot at Archie Moore's 175-pound title meet tonight at Madison Square Garden in a match between Tony Anthony of New York and Gordon Wallace of Toronto.

The 10-round bout will be televised at 10 p. m.

Anthony doesn't often leave matters up to the judges. He either wins or loses by a knockout. His 28-4 record for 32 fights includes 21 knockout victories. He has been stopped four times.

Wallace, the British Empire light heavy champion, has a 31-11-1 record. He has flattened 15 and was stopped four times.

## Wildlife Refuge Expansion Set

WASHINGTON (AP)—Ten national wildlife refuges are to be expanded by a total of 7,137 acres through purchase or lease of lands, the Interior Department says.

The department said the migratory bird conservation commission has authorized use of revenues from duck stamps to purchase 4,409 acres as addition to nine refuges. It also authorized addition by lease, with option to purchase, of 435 acres to one of the nine and addition of 2,293 leased acres to a tenth.

### Sokolosky's These Days

(Continued from Page Six)  
The Russians can get Arabian oil now because after centuries of keeping the Russians out of the Mediterranean where they could, even in Czarist times, only disturb the peace of the world, they are now in the entire Mediterranean area, having achieved a major victory without firing a shot or losing a man. The Battle of Balaklava has been immortalized by Tennyson's poem:  
"Half a league, half a league,  
Half a league onward,  
All in the valley of Death  
Rode the six hundred."  
The Crimean War the Russians lost, but at Suez, they won a great victory, assisted by the United States and the United Nations which strengthened Shepilov's puppet Nasser and made it possible for the Communists to gain a coup d'etat in Syria. And out of this can come a war between Syria and Iraq which Russia will direct and supply. This Russian victory could have been averted by a realistic

recognition of the fact that the Russians are building an empire which they mean to hold and to keep.  
There are some who only know their little hates and prejudices, but they do not recognize the frightful cost of historic errors which quickly become impossible of correction.

### Cincinnati Basks

CINCINNATI (AP)—The warmest Dec. 6 on record was noted by the U. S. Weather Bureau here Thursday when the temperature rose to 70.9 degrees.

# Big Decline Noted In State Subsidy Payments To Fight TB

## Hospitalization On Increase In This County

District Spokesman Explains X-Ray Finds More Cases

State subsidy payments to counties in the fight against tuberculosis were more than a quarter-million dollars lower in the fiscal

year ended June 30, 1956 than they were in the previous year, State Auditor James A. Rhodes revealed in his annual report.

Total payments were \$2,474,051.25, as compared with \$2,726,848.75 in 1954-1955; \$2,841,237.50 in 1953-1954; \$2,917,372.50 in 1952-1953; \$2,739,061.25 in 1950-1951.

The amount paid during the past fiscal year was \$252,897.50 less than the preceding year; \$350,958.75 less than the legislature appropriated. It represents a drop of more than 9 percent in one year.

The report reveals some striking contrasts. While the number of days spent in TB sanatorium by

patients has declined 940 percent since 1951 in Coshocton County, little Vinton county shows an increase of 479 percent in the same period. Fulton county shows a drop of 893 percent in the five-year period and Henry county a drop of 796 percent, while Pickaway county shows an increase of 461 percent and Athens county an increase of 227 percent.

EVELYN HAFEY, executive secretary of the Pickaway County Tuberculosis and Health Society, explained that many more cases are being detected through tours made by the mobile x-ray unit—hence a big increase in the

amount of hospitalization required. Visits by the x-ray unit are made possible through sale of Christmas Seals.

It was emphasized that, while the death rate due to TB is down, many more cases are now being found than in past years.

Under the law, the state auditor is required to pay to a county \$2.50 a day for each patient hospitalized in a county tuberculosis sanatorium, and \$1.25 a day to county commissioners for each patient in a private sanatorium if the county is legally obligated to pay for care and treatment.

Under this formula, payment was made last year for 854,711

patient days at \$2.50, and 69,819 patient days at \$1.25.

The total number of days spent in sanatoriums by TB patients has dropped from 1,267,119 in 1953 to 1,084,011 in 1956.

Rhodes pointed out that this is not necessarily an accurate yardstick for measuring the decline of tuberculosis in Ohio. His figures are based on payments where public care is involved. Many others receive treatment from family physicians, with no charge coming to the state.

Every county in the southeastern Ohio hill country except Belmont shows an increase in days spent in sanatoriums by TB patients.

## Lodge Burglar Held In Indiana

BRAZIL, Ind. (AP)—State police said Charles Wolters, 29, a fugitive from a Michigan prison, was arrested here Thursday and admitted burglaries in at least 20 Indiana cities and in Ohio.

Wolters told police he confined his burglaries to Elks clubs, American Legion homes and other private clubs.

This is attributed in part to the early detection of tuberculosis by traveling trucks offering free chest x-rays.
